T&N Gilmartin (Contractors) Ltd have been appointed as Principal Contractor by The City of Edinburgh Council to carry out the advance works for the South Queensferry Public Realm Improvements.

Within this phase of the works, we shall be carrying out works to the roadways and pavements at the Loan Junction now that we have completed works at the new turning circle at the Hawes car park.

The works at the Loan Junction area are planned to commence w/c 18/10/21 and shall run to April 2022. We shall cease construction activity from early December to January to minimise disruption to local business and residents through this busy period.

The phasing of the works are programmed to always minimise disruption, with the works to the Loan junction divided into sequential elements of work, with one completed before moving on to the next.

Area of improvement works shown:

Directors: D. McElhinney, P. McElhinney

To facilitate the works, we have secured an area for our site welfare and material storage within the Binks car park with agreement of the council, as shown in aerial below:

T&N Gilmartin (Contractors) Ltd have a strong reputation for carrying out work of this type and are committed to minimising disruption and respecting our *neighbours* in carrying out this work.

Should you at any point during the construction phase have a concern on how we are conducting our business then please do not hesitate to contact me by email on keithm@tngilmartin.co.uk or for more urgent issues please telephone us:
