South Queensferry**

Dear Neighbour

GROUND INVESTIGATION AND SURVEY WORK – FORTH BRIDGE

As part of works to help inform the design and development of future projects such as the Forth Bridge Experience, we will shortly begin ground investigation and survey work near your property.

Work will take place from:

**Monday 18 January until Friday 29 January between 08:00hrs and 18:00hrs,
weekdays only.**

**We will be carrying out ground investigation and survey work at Network Rail's
compound on the south side of the Forth Bridge (off Hawes Brae), using drilling rigs.**

Unfortunately, the equipment we use means that some noise is unavoidable, but we will do all we can to minimise it. We have also asked those working on site to work with consideration for the local community.

I hope our work doesn't disturb you too much but if you have any questions or concerns please call our **24-hr helpline on 03457 11 41 41** or via our website www.networkrail.co.uk/contactus

Yours faithfully

Community Relations Team, Scotland
