All incidents relate to complaints of anti-social driving/noise related issues in the area of Hawes Brae/Newhalls Road and Station Road.

Similar to last month, Officers continue to take action against drivers where incidents are reports. We have received some actionable footage of vehicles which are being followed up and we expect those drivers to be spoken with in due course.

Anti-social Behaviour/Youth Disorder: 4 x reported incidents

There have been 4 x reports relating to youths making their way onto building sites and empty properties within the area. Police have attended these incidents, however no individuals have been traced.

Vandalism: 4 x reported incidents

We have had 3 x further reports of racist graffiti on Morison Gardens. Enquiries remain ongoing into this issue.

We are also investigating an incident whereby an item has been thrown from the Forth Road Bridge by a young person, striking a parked vehicle. Officers have images of the group which have been circulated to local officers for identification.

If anybody has any information or evidence as to who may be responsible for the aforementioned graffiti, please contact Police on 101 to pass on this information.
