

**NW Monthly Community Meeting
Queensferry & District Community
Council
25th August to 28th September 2026**

Road Safety

Speed checks continue across the ward, targeting drivers failing to abide by speed limits, with formal action taken where it is proportionate to do so. This remains a focus for us, with numerous complaints received from members of the public.

Anti-Social Driving/Speeding/Noise Pollution – 14 x reported incidents

All incidents relate to complaints of anti-social driving/noise related issues in the area of South Queensferry, with about half relating to Hawes Brae.

Officers received a number of videos showing drivers acting in an anti-social manner (revving engines/sounding horns etc). Vehicles and keepers were identified, with registered addresses located throughout Edinburgh, Fife and Lothian. Considerable efforts were made to trace these drivers, a process that involves Officers physically attending at each address to carry out the formalities. Relevant formal action has been taken against the drivers responsible, where they were traced.

Anti-social Behaviour/Youth Disorder: 3 x reported incidents

1 x incident relates to youths refusing to leave Tesco.

1 x incident relates to youths at the Fisheries Cottage.

1 x incident relates to youths causing a nuisance in the area of Edinburgh Road.

Vandalism: 2 x incidents reported

Both incidents relate to damage to property in the area of Ochil Court (vehicle window & property door), with both suspected to have been caused by youths.

Bogus Caller: No incidents reported
